

Fibreglass Grating Fasteners

All the hold down clips are in 316 stainless steel in accordance with the AMB classifications.

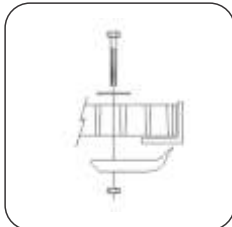

C-Type Clip

The C-Type Clip is used to secure one grating to another.

M-Type Clip

The M-Type Clip is used to secure the grating to the angle iron support.

Bottom Clip

The Bottom Clip is used to secure the grating to the support where it is not possible to drill a hole in the angle iron. Please note that the bottom clip is supplied without the bolt and nut set as it needs to be used in conjunction with the "M" clip set or similar.

L-Type Clip

The L-Type Clip is used to secure the grating to the angle iron support.

Washer Clip

The Washer Clip is used on the closed grating as well as the step covers..
